

NOVA VITA SKATE 2 HEAL SKATE-A-THON

THURSDAY, JANUARY 4, 2018 | 11 AM - 1 PM | BRANT SPORTS COMPLEX

Friday December 1, 2017

Season's Greetings!

This holiday season, Nova Vita is pleased to announce the return of our second annual Skate 2 Heal Skate-A-Thon on Thursday, January 4, 2018. Our goal is to have 75 kids come out to skate for a set goal (i.e. a lap for every dollar raised), have fun, help to raise money for the kids who come to Nova Vita, and gain a true sense of helping others.

Nova Vita is always in need of additional funding to help support programs for children, and the skate-a-thon offers parents a healthy activity during the winter break to keep their kids busy. **What better way to raise awareness about domestic violence and how it affects families, raise money for Nova Vita, and help raise children with a purposeful heart?**

Here are what some of last year's skaters are saying about Skate 2 Heal & Nova Vita:

"I like helping kids & their moms feel safe & happy by raising money for Nova Vita." **Carling, Age 8**

"I like to help the kids at Nova Vita so they can be happy!" **Abbey, Age 8.5**

"I like knowing that me raising money would be good for helping the kids feel more comfortable when they have to stay away from their home." **Leslie, Age 8.5**

"I like knowing that money would be raised to help the kids feel better and more safer and we got to do something we love, skating!" **<3 Holden, Age 6**

"It was a fun way to help other people." **Alli, Age 9**

We are calling on businesses and leaders in philanthropy in our community to help set the example of giving by supporting Nova Vita at our Skate 2 Heal Skate-A-Thon. Please find enclosed the sponsorship opportunities for this year's event.

Please review the opportunities enclosed and contact Cheryl or Anne today. Together we can help kids, help other kids live a life without violence!

Warm Regards,

Anne Herbison-Ruddell
