STAND TALL! Nova Vita Domestic Violence Prevention Services is excited to announce our 8th annual Heels to Heal Walk in support of the over 1,000 individuals we serve every year. Join us on Sunday, June 3rd, 2018 in Brantford's Harmony Square, and stand tall in your red heels or your red shoes against domestic violence. This is our largest event of the year, both in raising awareness and in financial support.

DOMESTIC VIOLENCE IS A SERIOUS EPIDEMIC IN OUR COMMUNITY... Brantford is currently ranked 2nd in Ontario and 8th in Canada for police reported incidents of domestic violence. We at Nova Vita, see every day how exposure to domestic violence impacts individuals and families, and we work diligently to provide safe shelter, crisis support, individual and group counselling to everyone in our community. Last year alone, we had:

- 4,560 calls to our 24 hours crisis and support line
- 272 women and children live at Nova Vita
- 293 women access our transitional support workers
- 222 women in the community receive individual counselling
- 27 children who were exposed to domestic violence receive counselling through our child-witness program and 15 children receive ongoing individual counselling
- 280 men who were abusive or at risk of being abusive received off-site individual and group interventions

“NOVA VITA SAVED MY LIFE.” We are driven by the knowledge that we are making a difference, but we can't do it alone. **We need your help!**

1. **BECOME A SPONSOR!** Highlight your business, and show our community that you stand tall with Nova Vita against domestic violence through sponsorship and swag donations.
2. **CREATE A TEAM!** Invite your coworkers, friends or family and support Nova Vita. Set a goal to win the Top Team Fundraising or Best Team Spirit Award!
3. **REGISTER TO WALK!** Go to RaceRoster.com and register as an individual to stand tall in your red heels or shoes as we come together against domestic violence in our community.

Together we can make a difference. **Together** we can stand tall and spread the word that domestic violence is never OK. **Together** we can help more people live a life free of violence.
