

Brantford is currently rated 1st in Ontario and 4th in all of Canada for police reported cases of domestic violence.

For over 35 years, Nova Vita has been the only emergency shelter in Brantford and the County of Brant to offer safety and support for women and children escaping violence and homelessness.

Nova Vita is truly more than a bed. We work to end interpersonal violence and abuse by supporting individuals and families who have experienced domestic violence, intimate partner violence, or gender-based violence through the provision of crisis intervention, emergency shelter, transitional support, children's programs, and counselling; and by fostering accountability for those who harm through intervention, counselling, public education, and systemic advocacy.

As Nova Vita works to become *pandemic resilient* while responding to the surge in demand for our shelter and services, fundraising and fostering a healthy community are at par. **You can make a difference** for women and their families escaping abuse when you schedule your support and tee time to *Golf Fore Nova Vita* at the exclusive Brantford Golf & Country Club.
