

Wish List for the 2021 Cram-A-Ram Toy Drive

Here are three ways that you can help to bring HOPE this holiday season for children impacted by violence and homelessness in our community:

1. **Donate Gift Cards** - when you donate gift cards you give the gift of independence and empower parents to purchase that special item on a child's wish list.
 - **Suggested Gift Cards in Values \$25, \$50 & \$100:** Toys R Us, Indigo, Best Buy, Canadian Tire.

2. **Donate any of the following items – must be new, unwrapped, and in original packaging:**

For Baby:

- Diaper wipes
- Baby shampoo and baby wash
- Baby teething toys
- Educational toys for children under 2 years old

For the Kids (ages 2 to 18):

- When shopping top toys and stocking stuffers, BUY 2: - one for your family member and one for kids at Nova Vita
- Please no guns and violent toys or games

Family Friendly Activities

- Crafts and craft sets: perler beads, bracelets, keepsake boxes, etc.
- Playdough sets
- Lego sets
- Puzzles – all ages and sizes
- Cards and board games

3. **Make a monetary donation online at canadahelps.org**

- When you make a donation, you can request that it be directed towards the purchasing of gifts and/or essential needs for the children staying at Nova Vita and will also directly support our Early Childhood Education program.

Thank you to our friends at Rams of Ontario for hosting this event and to our generous community for helping to make a difference this holiday season.
