

Give Hope For The Holidays To Our Families At Nova Vita

Each year during the holiday season, women and families impacted by domestic violence and homelessness, can use a little extra help to bring the spirit of the holidays home. This year, the demands for our services at Nova Vita and the needs of our clients, whether those staying in our 33 bed emergency shelter or those receiving support through one of our essential outreach programs, are considerably higher and more families are in need of help this holiday season.

How Will You Help?

Based upon our client needs and our organizational capacity, there are three ways that you can help bring comfort and joy to women and families seeking safe shelter and support from Nova Vita this year:

- 1. Donate Gift Cards:** When you donate gift cards you give the gift of independence and empower our clients to purchase their most essential needs to fulfill their loved-ones wish lists.
- 2. Make A Financial Donation:** Making a financial donation towards our holiday program makes the greatest impact and allows us to fill gaps and last minute requests to ensure that all holiday and meal needs are met.
- 3. Sponsor A Family:** This program is now complete. Many thanks to our caring sponsors for working to bring the magic of the holidays to families we support in our community. (Updated November 23, 2021)
