# Wrapped In Courage

November 1 - 30, 2023

The Wrapped In Courage scarf is more than just a scarf. It is a bridge to safety, a connection to help, a signal of hope. It is a sign for survivors of gender-based violence that they are not alone and that support is available. Purchase and wear your purple scarf this November during Woman Abuse Prevention Month to show your commitment to ending femicide and all forms of gender-based violence. Proceeds from the sale of every scarf directly supports essential shelter and support services at Nova Vita.
