## CARING FAMILIES

This program is for parents and caregivers experiencing high conflict in co-parenting situations. The goal of this program is to create respectful communication tools and positive parenting approaches to foster healthy co-parenting relationships. Concurrent group sessions are offered separately for each parent, and children attend their own age-appropriate sessions.

## DIFFERENTIAL RESPONSE

In partnership with the Child and Family Services of Grand Erie (CFSGE), our Differential Response program provides wrap-around domestic violence intervention services for moms, dads, and caregivers involved in child protection services.

## CHILD WITNESS PROGRAM

Our Child Witness Program is for mothers/caregivers who have experienced abuse in their relationship, and their children who have been impacted by the violence.
