Wrapped in Courage

November 2026

The Wrapped In Courage scarf is more than just a scarf. It is a sign to survivors of gender-based violence that they are not alone. Wear your purple scarf this November during Woman Abuse Prevention Month to show your commitment to ending femicide and all forms of gender-based violence. Proceeds from the sale of every scarf directly supports essential shelter and support services at Nova Vita.

Want to wear purple to show your support this November? Complete form below by November 30 and return to:
